*“One person caring about another represents life’s greatest value.”*

*– Jim Rohn*

Memory Care living at Coventry Meadows is highly personal. Our Memory Care neighborhoods are “communities within communities.” More than providing enhanced safety, specially-trained staff and activities of special benefit to those living with cognitive challenges, we are committed to truly providing “person-centered care.”

Our care includes:

- Our Splendid Table culinary experience
- A daily wellness activities program emphasizing eight domains of wellness
- Whole wellness care planning
- Cottage Connections caregiver support and educational group
- Innovative and holistic care practices
- Team members specifically trained in dementia care
- Virtual Dementia Tour™ experience offered to all team members
- Displays of interactive artwork encouraging reminiscence and exploration
- Beautiful, easily accessible courtyards
- Access to occupational, physical and speech therapy onsite
- Professional beauty and personal care services
- Transportation
- Housekeeping and personal laundry services

# Memory Care Apartments

Coventry Meadows offers a full continuum of senior living and healthcare solutions designed to accommodate a diversity of lifestyle choices and healthcare needs. Whether you are looking for an independent living Garden Home, a comfortable assisted living apartment, or memory care assisted living, we provide the customized care you need in a safe environment. Plus, you'll enjoy priority access to our healthcare community, where residents receive just the right amount of care and services needed, from skilled nursing and long-term care to personalized memory support in our Auguste's Cottage.

At Coventry Meadows, we know that a retirement community should be about just that - a community. That starts with providing ample opportunities for social growth and the best enriching experiences. Coventry Meadows overlooks Eagle Marsh Nature Preserve and is conveniently located with easy access to I-69 and I-469. We're also just minutes from some of the best medical care in Fort Wayne, Indiana at Lutheran Hospital. You'll also find Frontier, Village of Coventry and the Jefferson Pointe Mall nearby. You'll have peace of mind knowing that loved ones are close to important amenities and that family and friends are encouraged to visit often.

Coventry Meadows is proud to be a pet friendly community.
