

Local Resident to Ride in Firetruck During Labor Day Parade

Upland, IN- University Nursing Center Resident Paul Embry will have the honor of riding in a firetruck as a part of Upland's Labor Day Parade. A new resident at University Nursing Center, Mr. Embry is a retired fireman with 30 years of service with the Upland Fire Department. He will be joined by several University Nursing Center employees, who will walk along-side the firetruck during the parade.

American Senior Communities is proud to honor our residents and grateful for the service that so many have paid to their communities over the years. Mr. Embry is thrilled for the opportunity to climb into the firetruck once again.
