Horsing around

📅 Thursday, April 16, 2020 7:43 AM

Photo by Steve Clark.

Marci Jackson (right), of ASC Cavalry's Horses of Hope, leads a horse up to a window at Markle Health & Rehabilitation, in Markle, on Saturday, April 11. Reacting to the horse is resident Sheila Haynes. Residents at the Senior care facility were excited to see the equine visitors, which ASC Cavalry has been taking around to all 87 properties in the American Senior Communities system in hopes of entertaining residents during the COVID-19 pandemic.
