

## **Over 10,000 Meals Served to Healthcare Workers Statewide Tomorrow**

**Evansville, IN-** American Senior Communities has partnered with local restaurants, McAlister's Deli and Red Robin Gourmet Burgers and Brews, to provide weekly meals for staff members in all their communities, during the interim of restrictions imposed by COVID-19. ASC will serve over 10,000 meals this Thursday, to support building staff members across the state!

ASC is also providing prepared, grab-and-go meals for all building staff, an additional two days each week while current restrictions remain in place. This effort is to provide some relief and express gratitude to the many ASC team members reporting for duty each day, under the current COVID-19 restrictions.

Media is invited to attend this week's restaurant meal delivery at Cypress Grove Rehabilitation Center, 4255 Medwell Drive, Newburgh. This delivery will take place Thursday, April 16<sup>th</sup>, at 1 PM.
