

Coventry Meadows among Best Nursing Homes of 2021

Coventry Meadows in Fort Wayne was named among the best nursing homes in the nation by Newsweek and Statista, a global data research firm. Their partnership established a ranking of best nursing homes across the United States based on performance data, peer recommendations and the facility's handling of the COVID-19 pandemic.

Across Indiana, only eight nursing homes were included in this ranking, two of which are American Senior Communities, the aforementioned Coventry Meadows and Trailpoint Village in South Bend.

American Senior Communities operates 90 communities throughout Indiana and in Louisville, Kentucky. Senior health services include Moving Forward Rehabilitation, Auguste's Cottage Memory Care, Skilled Nursing, Long Term Care and Hospice in addition to specialty services. ASC also offers Assisted Living and Garden Homes.
